*Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration’s New Car Assessment Program (www.safercar.gov); applies to 2019 model year.
Honda is dedicated to identifying and implementing advanced designs and features that help enhance the safety of drivers and passengers, including occupants of other vehicles, and injury mitigation for pedestrians.

Key Standard Safety Features
- Advanced Compatibility Engineering™ (ACE™) body structure
- Advanced driver and front passenger airbags
- Multi-angle rearview camera

The Honda Sensing® Suite.

A - Collision Mitigation Braking System™ (CMBS™)™
CMBS can help bring your vehicle to a stop by automatically applying brake pressure when the system determines that a frontal collision is unavoidable.

B - Lane Keeping Assist System (LKAS™)
With your hands on the steering wheel, long highway drives are easier with LKAS, which subtly adjusts steering to help keep your vehicle centered in a detected lane.

C - Road Departure Mitigation System (RDM)™
RDM can determine if you cross over detected lane lines without signaling, can provide steering assistance to help you return to your lane, or provide braking to help keep you from leaving the roadway entirely.

D - Adaptive Cruise Control (ACC)™
ACC helps you maintain a set following interval behind a detected vehicle for highway driving.
Travel smarter.

Stay connected with your vehicle right from your smartphone. The HondaLink® app* provides assistance, service and convenience. Visit hondalink.com for more information on features and subscription services.

Key Available Features
• Personal Concierge
• Remote Start
• Remote Lock & Unlock
• Emergency Call
• Find My Car
• Stolen Vehicle Locator
• Enhanced Roadside Assistance
• Automatic Collision Notification

*Depending on use, HondaLink can transmit to Honda and its providers a vehicle’s location, speed and other operating conditions, information that may be tied to the vehicle identification number (VIN) and can be combined to create a track of a vehicle. For a full explanation of HondaLink functionality and Honda’s data use and privacy policy, see owners.honda.com/hondalink.

Wi-Fi on the go.

When you travel, bring the Internet along for the ride. With available Wi-Fi† hotspot capability, you can access entertainment, messaging, favorite websites and more. Visit hondawifi.com for more information.

Key Available Features
• Stream TV shows, movies and music
• Play games, share, browse and email
• Connect up to 7 Wi-Fi devices at once
• Use devices up to 50 feet away from your Honda vehicle

†Requires AT&T data plan. Visit hondawifi.com for more details.
